The formal notice of the 2023 AGM (the 'Notice') is set out on pages 5 to 7 of this document. I would also draw your attention to the Company's 2023 annual report and accounts (the '2023 Annual Report'), which covers the 12-month reporting period from 1 April 2022 to 31 March 2023 ('Reporting Period') and is available on the Company's website ([www.globalportsholding.com](http://www.globalportsholding.com)).

Details for each of these options are set out in the Notes to the Notice on pages 8 and 9 of this document.

Your proxy appointment must be received by our registrar, Equiniti Limited, by 11:00 am (BST) on Tuesday, 29 August 2023.

**BUSINESS OF THE MEETING**

I would draw your attention in particular to the following items of business:

**Renewal and updating of authorities relating to the allotment of shares:**

*2022 authority to allot*

The authority to allot granted at the 2022 AGM will be used in order to carry out the following share issues:

1. an issue of 66,600 shares representing 0.106% of the Company's current issued share capital under the Company's long term incentive share plan for senior management and any future Executive Directors ('LTIP') to eligible employees in recognition of the extraordinary adverse impact of the Covid-19 pandemic on Group business and the sacrifices made by LTIP-eligible employees who continued to work on less favourable employment terms ('LTIP Issue'); and
2. an issue of 5,144,445 shares representing 8.2% of the Company's current issued share capital to its ultimate parent Global Yatirim Holding A.Ş. ('GIH') as part of the conversion into equity of USD 13.8 million of the USD 24.9 million (at 31 March 2023) intercompany debt owed by the Company to GIH ('GIH Loans'), as disclosed in the announcement dated 14 July 2023 ('GIH Issuance').

Following the GIH Issuance and the LTIP Issue, the Company's issued share capital will increase to 68,038,008 shares and GIH will hold approximately 44,843,066 shares representing 65.9% of the Company's enlarged issued share capital. Furthermore, each of the GIH Issuance and the LTIP Issue will constitute an 'Adjustment Event' for the purposes of the Warrant Instrument (as defined in the Explanatory Notes to Resolutions 12-15 below). Accordingly, Sixth Street's aggregate warrant holdings under the Warrant Instrument will continue to entitle Sixth Street to receive Ordinary Shares representing 11.0% of the Company's fully diluted share capital and as a result Sixth Street will receive 642,984 additional Warrants (as defined in the Explanatory Notes to resolutions 12-15 below).

We seek further authority to allot shares (under Resolutions 9-11 below) and disapply pre-emption rights (under Resolutions 12-15 below). The Directors' only present intention to exercise the authority under Resolutions 9-11 is in connection with grants under the Company's LTIP. However, the Directors propose to retain the flexibility (i) to further capitalise the GIH Loans (subject to related party approvals by non-conflicted Directors), (ii) to ensure sufficient corporate authorities are maintained in respect of the Company's obligations under the Warrant Instrument (as described in the Explanatory Notes), including in respect of the exercise of the Initial Warrants and the Further Warrants (as they may be adjusted from time to time in accordance with the Warrant Instrument), (iii) to raise funds having regard to the fact that the Company is continuing to pursue inorganic growth initiatives and (iv) for general corporate purposes.

I also note that, having regard to the financial situation of the Group, shareholders were not asked to declare a final dividend at the annual general meetings in 2020, 2021 or 2022, and no dividends have subsequently been declared or approved by the Company's board of directors (the 'Board'). The Board continues to monitor the Group's financial position, and shareholders will not be asked to declare a final dividend for the Reporting Period at the 2023 AGM.

#### *Extending and updating general authorities to allot shares*

Resolution 9 renews the extended authority granted at the 2022 AGM to the Directors to allot ordinary shares in the capital of the Company up to a maximum nominal amount representing approximately 100% of the Company's existing issued share capital, provided that any issuance which would exceed one-third of the Company's issued share capital can only be allotted pursuant to a fully pre-emptive rights issue.

Resolutions 12 and 13 (together with Resolution 9, the 'General Allotment Authorities') will allow the Directors to allot equity securities for cash, and/or sell treasury shares, in certain circumstances as if statutory pre-emption rights did not apply. In accordance with the revised Investment Association guidelines referred to in the Explanatory Notes on page 12 of this document, the authorities under Resolutions 12 and 13 have been updated to allow the non-pre-emptive issuance in each case of ordinary shares representing up to 10% of the Company's issued share capital.

The authorities sought under Resolutions 9, 12 and 13 will expire at the end of the Company's Annual General Meeting in 2024, or at close of business on 29 November 2024, if earlier, save that the Company may before the expiry of the authorities make an offer or agreement which would or might require shares to be allotted or grant rights to subscribe for or to convert any security into shares in the Company ('Rights') after such expiry and the Directors may allot shares and grant Rights in pursuance of such offer or agreement as if the authority conferred by the General Allotment Authorities had not expired.

The authorities under Resolutions 9, 12 and 13 are in addition, and without limitation, to the specific authorities sought under Resolutions 10, 11, 14 and 15 (discussed in further detail below) (the 'Specific Allotment Authorities') and those specific authorities granted at the general meeting of the Company held on 9 June 2021 (the 'June 2021 Authorities'), details of which are set out in the Explanatory Notes to the resolutions on pages 13 and 14 of this document.

#### *Specific Allotment Authorities*

The Specific Allotment Authorities will allow the Directors to allot equity securities for cash, and/or sell treasury shares, for the following purposes as if statutory pre-emption rights did not apply:

1. further capitalising the GIH Loans (subject to related party approvals by non-conflicted Directors), and
2. allotting any shares which are required to be allotted on exercise of Warrants as a result of adjustments from time to time in accordance with the terms of the Warrant Instrument, including in respect of potential adjustments to or exercise of the Initial Warrants and the Further Warrants.

The Specific Allotment Authorities will expire on 31 August 2028, save that the Company may before the expiry of the authorities make an offer or agreement which would or might require shares to be allotted or grant Rights after such expiry and the Directors may allot shares and grant Rights in pursuance of such offer or agreement as if the authority conferred by the Specific Allotment Authorities had not expired.

#### **FURTHER INFORMATION**

For further details regarding each of the resolutions to be considered at the 2023 AGM, please see the related Explanatory Notes on pages 10 to 15 of this document.

Resolutions 1 to 11 (inclusive) will be proposed as ordinary resolutions. Resolutions 12 to 17 (inclusive) will be proposed as special resolutions.

## **ATTENDANCE IN PERSON**

The Board values greatly the opportunity to meet Shareholders in person and we expect the 2023 AGM to be open to Shareholders and their appointed proxies who choose to attend it in person.

However, should it become necessary or appropriate for any reason to postpone, to move and/or to make alternative arrangements for holding the 2023 AGM, the Board may do so and shareholders will be given as much notice as possible. Any change affecting the holding of the 2023 AGM will be posted on the Company's website and announced via a Regulatory Information Service. Shareholders are advised therefore to check regularly the Company's website ([www.globalportsholding.com](http://www.globalportsholding.com)) for updates in relation to the Meeting. In order to minimise any uncertainty regarding attendance in person, shareholders may wish to vote on the resolutions proposed by appointing the chairperson of the Meeting as their proxy. Details of how to do so are set out in the enclosed proxy form.

We also remain committed to providing Shareholders the opportunity to engage with the Company. If you have any questions related to the business of the Meeting, these can be sent by email to [investor@globalportsholding.com](mailto:investor@globalportsholding.com). We will consider all questions received and, if appropriate and relating to the business of the AGM, give an answer at the AGM, provide a written response or put responses on the Company's website as soon as practical. Shareholders attending the Meeting in person will still have the opportunity to ask questions and vote on each resolution.

The Board believes that it is important that the voting intentions of all members are taken into account, not just those who are able to attend the Meeting and, as such, we propose putting all resolutions to Shareholders attending the 2023 AGM in person by way of poll using a poll card, rather than on a show of hands. This is good practice, ensuring a more transparent method of voting as shareholder votes are counted according to the number of shares held (whether they are able to attend the meeting or not).

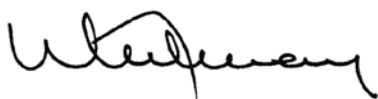

## **RECOMMENDATION**

The Board considers that all of the resolutions to be put to the 2023 AGM will promote the success of the Company and are in the best interests of the Company and its shareholders as a whole and unanimously recommends that you vote in favour of them, as the Directors intend to do in respect of their own beneficial holdings of shares in the Company.

As certain members of the Board have interests in GIH (whether by reason of shareholding interests or roles within GIH), they are conflicted from voting on and recommending Resolutions 10 and 14 (which relate, inter alia, to the authority to allot shares and grant Rights for the purposes of capitalising the GIH Loans). Jérôme Bernard Jean Auguste Bayle and Ercan Nuri Ergül, as the non-conflicted Directors of the Company, consider that Resolutions 10 and 14 promote the success of the Company and are in the best interests of the Company and its shareholders as a whole and unanimously recommend that you vote in favour of them, as they intend to do in respect of their own beneficial holdings of shares in the Company.

## **RESULTS**

The results of the 2023 AGM will be announced through a Regulatory Information Service and on the Company's website at [www.globalportsholding.com](http://www.globalportsholding.com) as soon as possible after the Meeting has been held.

17. THAT the Company may call General Meetings other than Annual General Meetings on not less than 14 clear days' notice.

CREST Personal Members or other CREST sponsored members, and those CREST members who have appointed a voting service provider(s), should refer to their CREST sponsor or voting service provider(s), who will be able to take the appropriate action on their behalf.
7. In order for a proxy appointment or instruction made using the CREST service to be valid, the appropriate CREST message (a 'CREST Proxy Instruction') must be properly authenticated in accordance with Euroclear UK & Ireland Limited's specifications, and must contain the information required for such instruction, as described in the CREST Manual. The message, regardless of whether it constitutes the appointment of a proxy or is an amendment to the instruction given to a previously appointed proxy must, in order to be valid, be transmitted so as to be received by the issuer's agent (ID RA19) by 11:00 am (BST) on Tuesday, 29 August 2023, excluding any part of any day that is not a working day. For this purpose, the time of receipt will be taken to be the time (as determined by the timestamp applied to the message by the CREST Applications Host) from which the issuer's agent is able to retrieve the message by enquiry to CREST in the manner prescribed by CREST. After this time any change of instructions to proxies appointed through CREST should be communicated to the appointee through other means.
8. CREST members and, where applicable, their CREST sponsors, or voting service providers should note that Euroclear UK & Ireland Limited does not make available special procedures in CREST for any particular messages. Normal system timings and limitations will, therefore, apply in relation to the input of CREST Proxy Instructions. It is the responsibility of the CREST member concerned to take (or, if the CREST member is a CREST personal member, or sponsored member, or has appointed a voting service provider, to procure that their CREST sponsor or voting service provider(s) take(s)) such action as shall be necessary to ensure that a message is transmitted by means of the CREST system by any particular time. In this connection, CREST members and, where applicable, their CREST sponsors or voting system providers are referred, in particular, to those sections of the CREST Manual concerning practical limitations of the CREST system and timings.
9. The Company may treat as invalid a CREST Proxy Instruction in the circumstances set out in Regulation 35(5)(a) of the Uncertificated Securities Regulations 2001.

10. If you are an institutional investor, you may be able to appoint a proxy electronically via the Proximity platform, a process which has been agreed by the Company and approved by the registrar. 11. To change your proxy instructions you may return a new proxy appointment using the methods set out above. Where you have appointed a proxy using the proxy form and would like to change the instructions using another proxy form, please contact Equiniti Limited on 0371 384 2030 (UK). ## **EXPLANATORY NOTES TO RESOLUTIONS**

Resolutions 1 to 11 (inclusive) are proposed as **ordinary resolutions**. This means that for each of those resolutions to be passed, more than half of the votes cast must be in favour of the resolution.

Resolutions 12 to 17 (inclusive) are proposed as **special resolutions**. This means that for each of those resolutions to be passed, at least three-quarters of the votes cast must be in favour of the resolution.

### **Resolution 1 (accounts and reports)**

Under Resolution 1, the Company's accounts for the period from 1 April 2022 to 31 March 2023, together with, among others, the Directors' report, the strategic report, the Directors' remuneration report and the auditor's report are received.

As a Shareholder, you will have received the 2023 Annual Report either as a hard copy or via our website ([www.globalportsholding.com](http://www.globalportsholding.com)) in accordance with your election pursuant to the Electronic Communications Election Form enclosed with our letter to shareholders dated 24 January 2019. Copies of the 2023 Annual Report will also be available at the 2023 AGM.

### **Resolution 2 (Directors' remuneration report)**

The Directors' remuneration report ('DRR') is set out on pages 95 to 115 of the 2023 Annual Report and contains (i) the annual statement by the chairman of the Remuneration Committee; (ii) the Directors' remuneration policy (the 'Remuneration Policy'); and (iii) the annual report on remuneration (the 'Annual Remuneration Report').

The Annual Remuneration Report gives details of the remuneration of the Directors during the Reporting Period. In compliance with reporting requirements under The Companies (Directors' Remuneration Policy and Directors' Remuneration Report) Regulations 2019 applicable for financial years beginning on or after 10 June 2019, it also contains disclosure regarding the remuneration of the former CEO during the Reporting Period, even though he was not a Board member and stepped down and left the Group as of May 2022.

Resolution 2 is an ordinary resolution which seeks shareholder approval for the DRR (excluding the Remuneration Policy). The vote upon this resolution is advisory and the entitlement of the Directors to remuneration is not conditional upon it.

The current Remuneration Policy was approved by shareholders at the Company's 2021 Annual General Meeting and became effective from that date for a period of up to three years. The Company is therefore not required to seek shareholder approval for the Remuneration Policy until the 2024 Annual General Meeting.

### **Resolutions 3-6 (re-election of Directors)**

Resolutions 3-6 deal with the re-election of the Directors. In accordance with the terms of their appointment letters and the Company's Articles of Association, the Directors are subject to election at each Annual General Meeting.

The four Directors who are standing for re-election by the shareholders at this year's Annual General Meeting were re-elected at the 2022 Annual General Meeting and have served as Directors throughout the Reporting Period. Their biographies can be found on pages 74 and 75 of the 2023 Annual Report.

As set out on page 79 of the 2023 Annual Report, there are outstanding vacancies on the Board as a result of departures in 2020 and 2021 and the Board intends to appoint one or more new Independent Non-Executive Directors. Although that process had commenced in 2020, it was postponed in order to allow the Company to focus on responding to challenges created by the Covid-19 pandemic and on post-pandemic recovery.

### **Resolutions 7 and 8 (appointment and remuneration of auditor)**

The Company must appoint an auditor at each general meeting at which accounts are presented to shareholders to hold office until the conclusion of the next such meeting.

Following a competitive tender process in the fourth quarter of 2021, PKF Littlejohn LLP ('PKF') were appointed as the Company's auditor for the financial year ended 31 March 2022 and were re-appointed at the 2022 AGM in respect of the Reporting Period.

Upon the recommendation of its Audit and Risk Committee, the Board is recommending to shareholders the re-appointment of PKF as the Company's auditor to hold office from the conclusion of the 2023 AGM until the conclusion of the next general meeting of the Company at which accounts are laid.

Resolution 8 follows best practice in corporate governance by separately seeking authority for the Audit and Risk Committee of the Board to determine the auditor's remuneration.

### **Resolutions 9-11 (authority to allot shares)**

By resolution of shareholders at the 2022 Annual General Meeting, the Directors were given slightly extended authority to allot ordinary shares in the capital of the Company up to a maximum nominal amount representing 100% of the Company's issued share capital, provided that any amount in excess of one-third of existing issued share capital should be applied to fully pre-emptive rights issues only. This authority will expire at the conclusion of the 2023 Annual General Meeting and the Directors are seeking to have it renewed and extended on the basis set out below.

The Directors' only present intention to exercise the authority under Resolutions 9-11 is in connection with grants under the Company's LTIP. The Directors propose to retain the flexibility that this authority provides, with regards to (i) further capitalising the GIH Loans (subject to related party approvals by non-conflicted Directors), (ii) ensuring sufficient corporate authorities are maintained in respect of the Company's obligations under the Warrant Instrument (as described in the Explanatory Notes to Resolutions 12-15 below), including in respect of the exercise of the Initial Warrants and the Further Warrants (as they may be adjusted from time to time in accordance with the Warrant Instrument), (iii) raising funds having regard to the fact that the Company is continuing to pursue inorganic growth initiatives, and (iv) general corporate purposes.

### **Resolution 9**

There is no statutory limit on the maximum nominal amount of the section 551 allotment authority under CA 2006 but, under the Investment Association's guidelines (the 'IA Guidelines'), Investment Association members will regard as routine resolutions seeking authority to allot shares representing up to two-thirds of the Company's existing issued share capital, providing any amount in excess of one-third of existing issued shares should be applied to fully pre-emptive rights issues only. The difference between the Resolution 9 authority and the IA Guidelines is that the Directors retain authority to issue up to two-thirds of the Issued Share Capital (excluding treasury shares) in connection with a rights issue in addition to one-third of the Issued Share Capital on a non pre-emptive basis, whereas the IA Guidelines recommend that the authority to allot shares be limited to either (i) one-third of the Issued Share Capital on a non pre-emptive basis, or (ii) two-thirds of the Issued Share Capital on a pre-emptive basis (i.e. up to a total of 66.6%).

In making its proposal, the Board considers that additional flexibility to raise funds would be in the best interests of the Company having regard to the fact that the Company is continuing to pursue inorganic growth initiatives which the Board believes will strengthen its position that may require additional funding. The Board believes that renewing the extended allotment authority as proposed would provide additional flexibility to raise equity, which is in line with the approach of other industry stakeholders – in particular cruise lines, without prejudice to the interests of existing shareholders.

Under the renewed authority, the Board could allot shares in the capital of the Company up to a maximum nominal amount of GBP 680,380.08 being 68,038,008 ordinary shares of GBP 0.01 each and representing 100% of the Company's Issued Share Capital (excluding treasury shares). Although this represents a departure from the IA Guidelines, it is still proposed that any issuance which would exceed a maximum nominal amount of GBP 226,793.36 being 22,679,336 ordinary shares of GBP 0.01 each, representing one-third of the Issued Share Capital (excluding treasury shares), can only be allotted pursuant to a fully pre-emptive rights issue.

As at 13 July 2023, being the latest practicable date prior to publication of this document, the Company held no treasury shares. The authority sought under Resolution 9 will expire at the end of the Company's Annual General Meeting in 2024, or at close of business on 29 November 2024, if earlier, and is in addition, and without limitation, to the June 2021 Authorities granted at the general meeting of the Company held on 9 June 2021 (the 'June 2021 GM') – details of which are set out below in the Explanatory Notes to Resolutions 12-15.

### **Resolutions 10 and 11**

The authority under Resolution 10 allows Directors to allot equity securities for cash and/or sell treasury shares to GIH to convert a portion of the inter-company debt owed by the Company to GIH into equity, in a similar manner to the GIH Issuance.

GIH, the majority shareholder of the Company, has provided the Company with the GIH Loans. The GIH Loans are long-term, subordinated shareholder loans which as of 31 March 2023 amounted to USD 24.9 million, an increase of USD 21.9 million during the Reporting Period, to finance project expenses, debt service and general corporate purposes. These funds have helped support the continued expansion of the Group while cruise operations and debt capacity were significantly impacted by Covid and existing financial agreements. After the GIH Issuance takes place the GIH Loans will amount to USD 11.1 million.

As certain members of the Board have interests in GIH (whether by reason of shareholding interests or roles within GIH), they are conflicted from voting on and recommending Resolution 10. As such, the non-conflicted directors of the Company would be required to approve the terms of such an allotment to the extent that they consider that it would promote the success of the Company and be in the best interests of the Company and its shareholders as a whole.

The authority under Resolution 11 allows Directors to allot equity securities for cash and/or sell treasury shares to allot any shares which are required to be allotted upon the exercise of Warrants from time to time in accordance with the terms of the Warrant Instrument (each as defined below), including in respect of potential adjustments to or exercise of the Initial Warrants and the Further Warrants such that the total number of Warrant Shares (as defined in the Warrant Instrument), to which Sixth Street is entitled on exercise: (i) carry the same proportion (expressed as a percentage of the total number of votes exercisable in respect of all the Ordinary Shares - i.e. 11.0% of the Company's fully-diluted share capital ('FDSC') of votes, and (ii) carry the same entitlement (expressed as a percentage of the total entitlement conferred by all the Ordinary Shares) to participate in profits and assets of the Company. Resolution 11 extends the Directors' authorities under the June 2021 Authorities (described below).

In making its proposal, the Board considers that it would be in the best interests of the Company to retain additional flexibility to further capitalise the GIH Loans and ensure sufficient headroom in respect of the exercise of the Initial Warrants and the Further Warrants (as they may be adjusted from time to time in accordance with the Warrant Instrument), thereby raising equity and reducing debt.

The authorities sought under Resolutions 10 and 11 will expire on 31 August 2028, save that the Company may before the expiry of the authorities make an offer or agreement which would or might require shares to be allotted or grant Rights after such expiry and the Directors may allot shares and grant Rights in pursuance of such offer or agreement as if the authorities conferred by Resolutions 10 and 11 had not expired.

#### **Resolutions 12-15 (authorities to disapply statutory pre-emption rights)**

Under section 561 of CA 2006, if the Directors wish to allot any equity securities for cash or sell any treasury shares (other than in connection with an employee share plan), they must, in the first instance, offer them to existing shareholders in proportion to their holdings (a 'pre-emptive offer'). There may be occasions, however, when the Directors need the flexibility to allot shares for cash, or sell treasury shares, without a pre-emptive offer, which can be done under CA 2006 if the shareholders have first waived their pre-emption rights by special resolution.

As announced on 14 July 2023 (the 'Announcement'), the Board intends to exercise its existing authorities under Resolutions 12 and 13 (as approved at the 2022 AGM) in order to issue 5,144,445 shares representing 8.2% of the Company's then issued share capital, to GIH. The purpose of the issuance is to convert USD 13.8 million of the GIH Loans into equity. The issue price of the shares will be 206.5358 pence per share.

Following the GIH Issuance (and the LTIP Issue), the Issued Share Capital shall be 68,038,008 and GIH will hold approximately 44,843,066 shares representing 65.9% of the Company's enlarged, issued share capital. Furthermore, each of the GIH Issuance and the LTIP Issue will constitute an 'Adjustment Event' for the purposes of the Warrant Instrument (as described below). Accordingly, Sixth Street's aggregate warrant holdings under the Warrant Instrument will continue to entitle Sixth Street to receive Ordinary Shares representing 11.0% of the Company's FDSC. Further details are set out in the Announcement.

The Directors' only present intention to exercise the authority under Resolutions 12-15 is in connection with grants under the Company's LTIP. The Directors propose to retain the flexibility that this authority provides, with regards to (i) further capitalising the GIH Loans (subject to related party approvals by non-conflicted directors), (ii) ensuring sufficient corporate authorities are maintained in respect of the Company's obligations under the Warrant Instrument (as defined below), including in respect of the exercise of the Initial Warrants and the Further Warrants (as they may be adjusted from time to time in accordance with the Warrant Instrument), (iii) raising funds having regard to the fact that the Company is continuing to pursue inorganic growth initiatives, and (iv) general corporate purposes.

#### **Extending and updating the general authority to disapply statutory pre-emption rights**

Resolutions 12 and 13 will, under certain circumstances, allow the Directors to allot equity securities for cash pursuant to the authority granted by Resolution 9, and/or sell treasury shares, as if section 561 CA 2006 did not apply. They have been updated having regard to the Pre-Emption Group's Statement of Principles (as updated in November 2022) (the 'Statement of Principles') and template resolutions.

Under Resolution 12, the Directors will be authorised to allot equity securities for cash, and/or sell treasury shares, up to a maximum nominal amount of GBP 68,038.01 being 6,803,801 ordinary shares representing approximately 10% of the Issued Share Capital.

Resolution 13 extends the Directors' authority under Resolution 12 to allot equity securities for cash, or sell treasury shares, up to a further a maximum nominal amount of GBP 68,038.01 being 6,803,801 shares, bringing the combined authority under Resolution 12 and Resolution 13 to an aggregate nominal value of GBP 136,076.02 (13,607,602 million ordinary shares), representing approximately 20% of the Issued Share Capital.

Resolutions 12 and 13 have also been updated in accordance with the latest Statement of Principles to include further authority to disapply pre-emption rights for up to an additional 2% of issued share capital, which may be used only for the purposes of a follow-on offer to retail investors and existing shareholders after a placing of equity securities pursuant to resolutions 12 and/or 13. The expected features of such follow-on offers are set out in the Statement of Principles and include, among other things, that qualifying shareholders should be entitled to subscribe for shares up to a monetary cap of no more than GBP 30,000, that the number of shares issued should not exceed 20% of those issued in the placing, and that the price of the shares should be equal to, or less than, the offer price in the placing.

In compliance with the Statement of Principles, the Directors confirm that they will not allot equity securities for cash, and/or sell treasury shares, on a non-pre-emptive basis pursuant to the authority in Resolution 13 other than in connection with one or more acquisitions or other specified capital investments which is/are announced contemporaneously with the issue or which has/have taken place in the preceding twelve-month period and is/are disclosed in the announcement of the allotment.

In addition, the Directors also confirm that in accordance with the Statement of Principles, they do not intend to allot equity securities for cash, and/or sell treasury shares, representing more than 10% of the Company's issued ordinary share capital other than to existing shareholders, save as permitted in connection with an acquisition or specified capital investment as described above, unless shareholders have been notified and consulted in advance.

The authorities sought under Resolutions 12 and 13 will expire at the end of the Company's Annual General Meeting in 2024, or at close of business on 29 November 2024, if earlier.

#### ***New specific authority to disapply statutory pre-emption rights***

The authority under Resolution 14 extends the Directors' authority to allot equity securities for cash pursuant to the authority granted by Resolution 10, and/or sell treasury shares to GIH, as if section 561 CA 2006 did not apply, in order to convert a portion of the inter-company debt owed by the Company to GIH into equity, in a similar manner to the GIH Issuance.

As certain members of the Board have interests in GIH (whether by reason of shareholding interests or roles within GIH), they are conflicted from voting on and recommending Resolution 14. As such, the non-conflicted Directors of the Company would be required to approve the terms of such an allotment to the extent that they consider that it would promote the success of the Company and be in the best interests of the Company and its shareholders as a whole.

The authority under Resolution 15 extends the Directors' authority to allot equity securities for cash pursuant to the authority granted by Resolution 11, and/or sell treasury shares, as if section 561 CA 2006 did not apply, in order to allot any shares which are required to be allotted upon the exercise of Warrants from time to time in accordance with the terms of the Warrant Instrument (each as defined below), including in respect of potential adjustments to or exercise of the Initial Warrants and the Further Warrants. Resolution 15 extends the Directors' authorities under the June 2021 Authorities (described below).

The authorities sought under Resolutions 14 and 15 will expire on 31 August 2028, save that the Company may before the expiry of the authorities make an offer or agreement which would or might require shares to be allotted or grant Rights after such expiry and the Directors may allot shares and grant Rights in pursuance of such offer or agreement as if the authorities conferred by Resolutions 14 and 15 had not expired.

#### ***The June 2021 Authorities***

The authorities under Resolutions 9-15 are in addition, and without limitation, to the specific authorities granted at the general meeting of the Company held on 9 June 2021, which was called further to the Company's entry into, in May 2021, of a five-year, senior-secured loan arrangement (the 'Financing') with investment funds managed by global investment firm Sixth Street (collectively, the 'Investor').

Under the terms of the Financing, which comprises two facilities (the 'Facilities') for an aggregate amount of up to USD 261.3 million, the Company entered into a warrant instrument (the 'Warrant Instrument') pursuant to which it agreed to issue warrants ('Warrants') to the Investor carrying the right to subscribe for shares (i) with respect to the initial facility, representing 9.00% of the FDSC after issuance of the initial warrants only (the 'Initial Warrants') and (ii) with respect to the growth facility (the 'Growth Facility'), representing up to a further 3.75% of FDSC after issuance of the Initial Warrants and all further warrants pro-rata to the actual draw-down of the Growth Facility ('Further Warrants').

Pursuant to resolutions passed at the 2020 AGM (the '2020 Allotment Authorities'), the Directors were authorised to issue Warrants representing up to 5.00% of the Company's FDSC free of statutory pre-emption rights. However, in order for the Financing to be successfully completed and to issue the balance of the Initial Warrants as well as any Further Warrants, the Directors needed to seek additional authorisation. Accordingly, at the June 2021 GM, Shareholders were asked to grant the June 2021 Authorities. The text of the June 2021 Authorities and further details of the Financing and the Warrants are set out in the notice of the June 2021 GM which is posted on the Company's website ([www.globalportsholding.com](http://www.globalportsholding.com)) under Investors – General Meetings. Shareholders approved the June 2021 Authorities on the basis that (i) the authorities granted thereunder were in addition, and without limitation, to the 2020 Allotment Authorities and (ii) the Board intended to ask Shareholders to renew the 2020 Allotment Authorities at the 2021 Annual General Meeting.

The Financing was completed at the end of July 2021, at which time the Initial Warrants were issued pursuant to the 2020 Allotment Authorities (for shares representing 4.55% of FDSC) and the June 2021 Authorities (for shares representing 4.45% of FDSC).

Further Warrants to subscribe for a further 1,538,478 shares, representing an additional 2.0% of the Company's FDSC, were issued pursuant to the June 2021 Authorities on 23 March 2023 in connection with the partial draw-down of the Growth Facility for the purpose of funding the extension of the concession agreement for Ege Port, the Group's original cruise port at Kuşadası, Türkiye by an additional 19 years to 2052 as fully set out on page 82 in the 2023 Annual Report.

Additional Further Warrants will be issued as and when the Growth Facility is drawn down and upon the occurrence of 'Adjustment Events', which include customary anti-dilution protection, under the Warrant Instrument. The June 2021 Authorities will lapse at the close of business on 1 December 2023 to allow for the exercise of Further Warrants for a period of up to six months after the end of the two-year availability period of the Growth Facility, save that the shares that are subject to the Initial Warrants and the Further Warrants may be issued in accordance with the Warrant Instrument after such date (as the Initial Warrants and Further Warrants were issued prior to 1 December 2023).

The Warrants will be exercisable only following the occurrence of one of certain specific events set out in the Warrant Instrument, including the acceleration, (pre-) payment in full or termination of the Facilities, a delisting of the Company from the Official List and a change of control of the Company, at a subscription price equal to the nominal value of GBP 0.01 per share.

#### **Resolution 16 (renewal of authority for market purchases of own shares)**

Under CA 2006, the Company requires authorisation from shareholders if it is to purchase its own shares. Resolution 16 authorises the Company to make market purchases of up to 6,803,801 of its own ordinary shares, representing approximately 10% of the Issued Share Capital. The resolution specifies the minimum and maximum prices at which the ordinary shares may be bought under this authority.

The Directors have no present intention of exercising the authority granted by Resolution 16, but the authority provides the flexibility to allow them to do so in the future. The authority will be exercised only if the Directors believe that to do so would be likely to promote the success of the Company for the benefit of its shareholders as a whole and would result in an increase in the earnings per share. Any ordinary shares purchased pursuant to this authority may either be held as treasury shares or cancelled by the Company, depending on which course of action is considered by the Directors to be in the best interests of shareholders at the time. No dividends are paid on shares held as treasury shares nor do they have voting rights. There is no statutory limit on the percentage of share capital that the Company is permitted to hold as treasury shares. However, in keeping with the Investment Association's guidelines, the Company will limit the number of shares that it will hold as treasury shares to no more than 10% of its issued share capital.

The authority sought under Resolution 16 will expire at the end of the Company's Annual General Meeting in 2024, or at close of business on 29 November 2024, if earlier.

**Resolution 17 (notice for General Meetings)**

CA 2006 requires listed companies to provide shareholders with 21 clear days' notice of any general meeting unless the shareholders have approved the calling of general meetings on shorter notice, which cannot in any event be less than 14 clear days. Companies must also offer shareholders a facility to vote by electronic means in order to be permitted to call meetings on shorter notice. The notice period for an Annual General Meeting cannot be reduced in this way.

While the Directors do not intend calling general meetings on short notice as a matter of routine, enabling the Board to call general meetings on 14 clear days' notice would provide flexibility where that was merited by the business of the relevant meeting taking into account the circumstances, including where the business of the meeting is time sensitive and is thought to be to the advantage of the shareholders as a whole.

Resolution 17, which renews the corresponding resolution approved at the 2022 Annual General Meeting, will expire at the end of the Company's Annual General Meeting in 2024.
